GitHub: https://github.com/MKG0007 LeetCode: https://leetcode.com/u/mkgoo7/

SKILLS

Languages: C++ (Proficient), Java, JavaScript, C, React JS, Python, PHP

Frameworks: HTML, CSS, JavaScript, React.js, Express.js and Node.js backend, Tailwind CSS

Database: MySQL, Postgres, MongoDB Tools/Platforms: VS Code, Git, Sublime Text

Soft Skills: Problem-Solving Skills, Team Player, Project Management, Adaptability

PROJECTS

Vehicle Rental Platform

July 2024 - Aug 2024

Email: mg258087@gmail.com

Mobile: +91-8393018077

- **Technologies Used:** Angular, CSS, Bootstrap, JavaScript, MongoDB and Express.JS.
- Built a scalable vehicle rental platform with core features like Search, Booking, and Payments for 100+ concurrent users.
- Developed a fast backend using Express.js and MongoDB with <80ms API responses and <15ms read times.
- Achieved 100% REST API test coverage to ensure reliability and seamless user experience.

- **Online Wallpaper Website**

Feb 2023 – March 2023

- Technologies Used: HTML, CSS and JavaScript.
- Developed a responsive wallpaper website using HTML, CSS, and JavaScript, offering high-quality downloadable wallpapers.
- Added interactive features including anime summaries and a "Contact Us" form for user feedback and engagement.
- Focused on clean UI/UX design and seamless user experience across devices.
- Link: https://mkg0007.github.io/Wallpaper-Website

Text Editor Sep 2022 – Oct 2022

- **Technologies Used:** Python and MySQL.
- Built a lightweight WordPad-like text editor in Python with core features including Open, Edit, Save, and Text Formatting.
- Designed an intuitive UI using Tkinter and integrated MySQL for tracking file open/save history.
- Delivered a user-friendly editor with persistent history management and efficient performance.

CERTIFICATES

Full Stack Web development on CSE Pathshala. [Link]

June 2024 - Aug 2024 March 2024 – April 2024 ChatGPT Advanced Data Analysis on Coursera. [Link]

Data Structures and Algorithm on Udemy. [Link]

Prompt Engineering for ChatGPT on Coursera. [Link] Jan 2024 - Feb 2024

ACHIEVEMENTS

- Solved 250+ DSA questions on LeetCode.
- Served as a Team Coordinator in a Skill Showcase Fest.

EDUCATION

Lovely Professional University

Bachelor of Technology - Computer Science and Engineering; CGPA: 7.14

Saraswati Vidya Mandir Senior Secondary School

Intermediate; Percentage: 82%

SMT Sridevi Awasiya Vidyapeeth Matriculation; Percentage: 71%

Phagwara, Punjab Since August 2022

Feb 2024 – April 2024

Agra, Uttar Pradesh April 2021 - March 2022

Agra, Uttar Pradesh April 2019 - March 2020
